MINISTRY OF FINANCE (DEFENCE)**ESTABLISHMENTS***New Delhi, the 8th September 1949*

No. 6055/Accts./An.—In exercise of the powers conferred by sub-section (2) of section 241 of the Government of India Act, 1935, the Governor-General is pleased to make the following rules to regulate the conditions of service of temporary Government servants in the Military Accounts Department:—

1. (1) These rules may be called the Military Accounts Department (Temporary Service) Rules, 1949.

(2) Subject to the provisions of sub-rule (3), these rules shall apply to all personnel of the Military Accounts Department who are under the rule making control of the Governor-General, but who do not hold a lien on any substantive post in the Military Accounts Department or under the Central or Provincial Governments

(3) Nothing in these rules shall apply to:—

- (a) Government servants engaged on contract;
- (b) Government servants not in whole time employment;
- (c) Government servants paid out of contingencies;
- (d) Temporary Accountants recruited under the terms of Finance Department (Military) letter No. 1880/Accts./E, dated 5th May 1941.

2. In these rules, unless there is anything repugnant in the subject or context:—

(a) “Appointing Authority” means Military Accountant General in the case of:—

- (i) all class III servants (except Record Clerks) employed in the Military Accounts Department including Military Accountant General’s Office and class IV servants belonging to the Office of the Military Accountant General.

- (ii) Controllers of Accounts in the case of Record clerks and class IV servants belonging to their respective offices.

(b) “Government Service” means temporary service under the Government of India, and includes in the case of former employees of the Government of Sind, the North

West Frontier Province and Baluchistan service under any of those Governments,

(c) "quasi-permanent service" means temporary service commencing from the date on which a declaration issued under rule 3 takes effect and consisting of periods of duty and leave other than extraordinary leave) after that date,

(d) "Specified post" means the particular post, or the particular grade of posts within a cadre, in respect of which a Government servant is declared to be quasi-permanent under rule 3;

(e) "Temporary Service" means officiating and substantive service in a temporary post, and officiating service in a permanent post, under the Government of India

3 A Government servant shall be deemed to be in quasi-permanent service:—

- (i) if he has been in continuous Government service for more than three years, and
- (ii) if the appointing authority, being satisfied as to his suitability in respect of age, qualifications, work and character for employment in a quasi-permanent capacity, has issued a declaration to that effect, in accordance with such instructions as the Governor General may issue from time to time

4 (a) A declaration issued under rule 3 shall specify the particular post or the particular grade of posts within a cadre, in respect of which it is issued, and the date from which it takes effect

(b) Where recruitment to a specified post is required to be made in consultation with the Federal Public Service Commission no such declaration shall be issued except after consultation with the Commission

5. (a) The service of a temporary Government servant who is not quasi-permanent service shall be liable to termination at any time by notice in writing given either by the Government servant to the appointing authority, or by the appointing authority to the Government servant

(b) The period of such notice shall be one month, unless otherwise agreed to by the Government and by the Government servant

6. The services of a Government servant in quasi-permanent service shall be liable to termination:—

- (i) in the same circumstances and in the same manner as a Government servant in permanent service, or
- (ii) when the appointing authority concerned has certified that a reduction has occurred in the number of posts available for Government servants not in permanent service

Provided that the service of a Government servant in quasi-permanent service shall not be liable to termination under clause (ii) so long as any post of the same grade and under the same appointing authority as the specified post held by him, continues to be held by a Government servant not in permanent or quasi-permanent service.

Provided further that as among Government servants in quasi-permanent service whose specified posts are of the same grade and under the same appointing authority, termination of service consequent on reduction of posts shall ordinarily take place in order of juniority in the list referred to in rule 7

7 (1) Subject to the provisions of this rule, a Government servant in respect of whom a declaration has been issued under rule 3 shall be eligible for a permanent appointment on the occurrence of a vacancy in the specified posts which may be reserved for being filled from among persons in quasi-permanent service, in accordance with such instructions as may be issued by the Governor General in this behalf from time to time

Explanation—No such declaration shall confer upon any person a right to claim a permanent appointment to any post

(2) Every appointing authority shall from time to time after consultation with the appropriate Departmental Promotions Committee, prepare a list, in order of precedence, of persons in quasi-permanent service who are eligible for a permanent appointment. In preparing such a list, the appointing authority shall consider both the seniority and the merit of the Government servants concerned. All permanent appointments which are reserved

under sub-rule (1) under the control of any such appointing authority shall be made in accordance with such list:

Provided that the Government may order that permanent appointment to any grade or post may be made purely in order of seniority.

8 A Government servant in quasi-permanent service and holding a specified post shall, as from the date on which his service is declared to be quasi-permanent, be entitled to the same conditions of service in respect of leave, allowances and disciplinary matters as a Government servant in permanent service holding the specified post

9 A Government servant in quasi-permanent service shall, if his service is terminated otherwise than as a disciplinary measure or by resignation, be eligible for—

- (a) a gratuity at the rate of half a month's pay for each completed year of quasi-permanent service, such gratuity being payable on the basis of the pay admissible to such Government servant in respect of the specified post on the last day of his service, and
- (b) any gratuity to which he is entitled in respect of his service before his appointment to quasi-permanent service.

10 Where a Government servant in quasi-permanent service is appointed substantively to a permanent post, the entire period of his quasi-permanent service, together with one half of the period of the preceding continuous temporary service (excluding extraordinary leave) rendered after 2nd September 1939, shall be deemed to be qualifying service for the grant of pension or gratuity, as the case may be

MEMORANDUM EXPLANATORY OF THE MILITARY ACCOUNTS DEPARTMENT (TEMPORARY SERVICE) RULES, 1949

Rule 1—This rule explains the scope of these rules. They do not apply to Government servants who hold a lien on any permanent post in the Military Accounts Department or under the Central Government or Provincial Governments

Rule 2—(a) The term "Controllers of Accounts" includes all Controllers of Military Accounts, Junior Controller of Military Accounts, Patna, Controller of Military Accounts (Pensions), Field Controllers of Military Accounts, Controller of Army Factory Accounts, Controller of Naval Accounts and Controller of Accounts, Air Forces

(b) The term "Government service" has been defined in a broad sense. It includes periods of duty as well as periods of leave including extraordinary leave. Prior service rendered in establishments paid out of Civil or Defence service estimates and counting as service under the Government of India is covered by this term.

(c) The term "Quasi-permanent service" has been evolved with the object of attaching certain benefits to such services. Once the service of a temporary Government servant is declared as quasi-permanent he counts the periods of duty and leave with allowances thereafter irrespective of the duty having been rendered in the post in respect of which he has been declared quasi-permanent or any other post. Quasi-permanent service ceases when the Government servant is either appointed to a permanent post in a substantive capacity or is relegated to purely temporary service for reasons of inefficiency or as a disciplinary measure. It should be noted that extraordinary leave does not count as quasi-permanent service. This exclusion has been made because extraordinary leave does not count for pensionary benefits.

(d) Under Rule 1(a) a Government servant has to be declared as quasi-permanent in respect of a particular post, such a post may be an isolated one or it may be a post in a cadre consisting of several posts. In case where a cadre is split up into several grades it may belong to one such grade within the cadre. A Government servant who is declared as quasi-permanent in respect of a particular post may be shifted from one post to another within the cadre or grade concerned due to reduction in post or other causes. Such shifting does not affect his rights.

(e) The term "temporary service" includes periods of duty as well as periods of leave irrespective of such leave being with allowance or without. It should be noted that only the service rendered in a post under the Government of India is treated as temporary service.

Rule 3.—There are two conditions to be fulfilled before a Government servant could be declared as quasi-permanent. The first condition is 3 years Government service. This service should be continuous. The second condition is regarding the suitability of the candidate for continued appointment in the post concerned. A candidate's suitability has to be decided from three different angles. He should possess the requisite qualifications for the post, he should have both willingness and capacity to devote himself to the duties of his post; and perform them efficiently. In addition his character should be such as to make him fit for public service. A candidate who fulfils the two conditions can be declared as quasi-permanent. The issue of declarations should await the instructions referred to in this Rule which will be issued separately.

Rule 4.—This is a rule of procedure and is self-explanatory. It is necessary that a declaration issued in favour of a candidate under this rule should be kept along with his permanent records. In the case of a gazetted officer an authenticated copy of the declaration should, therefore, be sent to the Accounts Officer concerned and in the case of a non-gazetted officer it should be pasted to the Service book.

Rule 5.—This rule indicates the procedure to be adopted in terminating the services of a Government servant who is not declared quasi-permanent. As the services of "purely temporary" employees are expressly made terminable by notice on either side, such termination will not be construed as "dismissal" or "removal" so as to attract the provisions of section 240(3) of the Government of India Act, 1935; or necessitate the institution of formal disciplinary proceedings under the classification Rules. The intention is to facilitate the maintenance of discipline and the weeding out of inefficiency or unsuitable employees.

Rule 6.—This rule relates to the security of tenure of a quasi-permanent Government servant. It should be noted that except in the event of reduction in the number of posts in the cadre or grade concerned the termination of service of a quasi-permanent Government servant will have to be made in the same manner as in the case of a permanent Government servant. For example, if the services are to be terminated on grounds of indiscipline or inefficiency, it will be necessary to institute formal proceedings against him. He has also got a superior right of retention in service over that of purely temporary employees, in the grade in which he is quasi-permanent.

Rule 7.—This rule deals with the prospect of permanency of a quasi-permanent employee in the grade in which he is quasi-permanent and provides for permanent absorption into Government service of suitable candidates.

Rule 8.—This rule deals with the benefits accruing from the quasi-permanent service in the matter of pay and allowances, leave and disciplinary matters. It should be noted that the benefits accruing to a quasi-permanent employee in a post in which he is declared quasi-permanent are more or less similar to those accruing to him had he held such a permanent post in a substantive capacity. Hence for the purpose of leave salary the pay in the quasi-permanent post will be treated as substantive pay. Similarly his increments in that post will not be postponed by leave with allowances. This rule, however, does not confer any retrospective benefit and the calculation of leave and leave salary as if he were in permanent service should be made only from the date from which he is declared as quasi-permanent.

Rule 9.—This rule deals with terminal benefits in respect of quasi-permanent service. It provides for a gratuity which is to be reckoned only on completed years of quasi-permanent service. The gratuity is not payable in the event of resignation or removal on disciplinary grounds. It is to be calculated with reference to the pay in specified post and not with reference to the pay in any other posts the Government servant may be holding at the time of termination of the service.

Rule 10.—This rule confers certain additional benefits in the matter of counting service for pens on. When a quasi-permanent Government servant is appointed substantively to a permanent post as envisaged in Rule 7, not only the entire quasi-permanent service counts as qualified service but half the continuous temporary service rendered after 2nd September 1939 also counts for this purpose. It should, however, be noted that periods of extraordinary leave should be excluded while reckoning the additional period.

34. Delay in submission of Returns—If the return for any month does not reach the Commissioner within the time prescribed by rule 32, the colliery owner shall be liable to a penalty which shall be calculated at Rs. 10 for each week's default or part thereof subject to a maximum of Rs. 200.

35. Late returns and revision of returns—If the owner of any colliery has not furnished the return within the prescribed date or having furnished it, discovers any omission or wrong statement therein, he may furnish a return or a revised return, as the case may be at any time before the order of final assessment is passed.

36. Final assessment of excise duty—(1) If the Commissioner is satisfied that the return submitted by the owner is correct and complete he shall confirm the provisional assessment referred to in rule 33(1) as final and send an intimation to that effect to the owner of the colliery concerned in Form E within three months from the date of receipt of the return.

(2) (a) If the Commissioner is not so satisfied, he may either depute an officer for the purpose of verification of the correctness and completeness of the returns with reference to the books and accounts and other relevant records of the colliery at its premises, or issue a notice in Form F-1 on the owner of the colliery concerned requiring him to attend either personally or through a duly authorised representative on the date and at the time and place to be specified in the notice. The officer deputed by the Commissioner shall be afforded all necessary facilities at the premises of the colliery for the purpose of verification as aforesaid.

(b) After verification of the return or after hearing such evidence as the owner may produce in compliance with the notice issued under clause (a) and such evidence as the Commissioner may require on specified points, the Commissioner shall as soon as possible assess the amount of duty due from the owner and such assessment shall be final.

(c) If the Commissioner is satisfied that the return submitted by the owner is correct and complete, he shall confirm the provisional assessment as final. If, on the other hand, under the final assessment a further sum is due from the owner, the Commissioner shall issue on the owner a Demand Notice in Form H-1 requiring the payment of the balance due within the time specified therein.

(d) If any owner having furnished a return for a month, fails to comply with any of the terms of the notice that may be issued on him under clause (a) the Commissioner shall assess the amount of the duty due from him which in his judgment is just and proper and such assessment shall be final.

(3) If any owner does not furnish a return in Form D for any month by the prescribed date in the manner laid down in rule 32(2) and 33(3), the Commissioner shall, after giving the owner a reasonable opportunity of being heard by the issue of a notice in Form F-2 assess the amount of duty due from him which in his opinion is just and proper and may also impose penalty as laid down in rule 34.

(4) If upon information which has come into his possession the Commissioner is satisfied that an owner has actually despatched during a month coal or coke otherwise than by rail and has thereby become liable to pay duty under section 3 of the Act but has failed to furnish a return in respect of that month and to pay the amount of provisional assessment on that basis by the last day of the following month, the Commissioner shall, after giving the owner a reasonable opportunity of explaining the reasons for the failure by the issue of a notice in Form F-3, assess the amount of duty due from him which in his opinion, is just and proper in respect of that month.

(5) The Commissioner shall fix a date ordinarily not less than 30 days after the date of issue of a notice in Form F-1 or F-3 for producing such accounts and documents as he may require and for considering any objection which the owner may wish to offer.

(6) After considering any objection made by the owner and any evidence produced in support thereof, the Commissioner shall assess the amount of the duty to be paid by the owner and shall briefly record his findings and pass his final assessment order in Form G.

(7) The amount of duty thus assessed, the date by which the amount so assessed is to be deposited (which shall not ordinarily be less than 30 days from the date of issue of Demand Notice) and any other particulars connected therewith shall be specified in the Demand Notice in Form H-1.

(8) The mode of payment into the Treasury of the amount specified in Demand Notice in Form H-1 shall be the same as laid down in rule 33(2) and rule 33(3) provided that the copy of the Treasury challan intended for transmission to the Commissioner shall be forwarded to him with a covering letter quoting reference to the Demand Notice.

37. Recovery of unpaid Excise Duty and Penalty—(1) Any amount of duty (together with the penalty, if any) which remains unpaid after the date specified in the Demand Notice shall be recovered as an arrear of land revenues.

(2) The Commissioner shall (in order to recover the unpaid amount of cess, and penalty if any), apply to the Collector of the district in which the colliery is situated for the recovery of the amount remaining unpaid.

(3) The Collector shall send a report to the Commissioner by the 10th of each month showing the amount recovered by him during the preceding month.

38. Review—(1) Within 30 days from the date of issue of a Demand Notice in Form H-1, any owner may submit a petition to the Commissioner asking for a review of such assessment, provided that no such petition shall be entertained unless the Commissioner is satisfied that the amount assessed has been paid by the owner into a treasury as required under rule 36.

(2) Every petition for review shall be accompanied by a memorandum setting forth clearly the principal grounds of objections against the assessment made together with
